Our Marcum-Illinois Families,

We wanted to keep you informed with the latest update. We will be submitting our waiver to the county and state this week. Due to a potential delay in response, the board will be considering pushing back the start of the school year to Wednesday, August 26th. We will ensure that all of you will get our school opening information as quickly as possible.

Please feel free to reach out to me directly if you have specific questions that were not answered in this letter. I understand the stress and uncertainty you may be feeling at this time. Please know that the Marcum Staff is here to not only support your children, but we are here to support each of you as well. Please feel free to reach me by email or by cell phone so that I may answer any and all questions that you may have. My number is (530)777-8016.

Sincerely,

A handwritten signature in blue ink that reads 'Jimmie Eggers'.
