

Jimmie Eggers

Superintendent/Principal

December 4, 2020

Our Marcum-Illinois Families,

We have some updates for you regarding in-person learning at Marcum-Illinois school. We have received a recommendation from Dr. Luu, the Yuba and Sutter County Health Officer, that all schools proceed with distance learning. We will forward the official letter when we receive it at our school. We have been advised by the Sutter County Office of Education and our legal team to consider all recommendations as orders. Please look at the following list to see how it applies to you and your child/children:

Preschool through 8th Grade

- All students will begin distance learning starting Monday, December 7th.
- TK-8th grades will resume with the previous distance learning schedules
- Preschool teachers will contact families directly with Distance Learning Information

The safety of your child, and their opportunity to learn is our top priority. We will continue to provide the best instruction we can whether it is in person or online.

You and your family may have specific questions that have not been answered in this letter. Please feel free to reach me by email or by cell phone so that I may answer those questions. My number is (530)777-8016.

Sincerely,

Jimmie Eggers
Superintendent/Principal
