BACKGROUND INFORMATION:

The Schools and Libraries Program of the Universal Service Fund, commonly known as "Erate" provides discounts to assist schools and libraries in the United States in obtaining affordable telecommunications, internet access and internal connections. The District has participated in the E-Rate program for 11 years. We are in the process of applying for E-Rate Funding Year 24 which will provide discounts for the 2021-2022 school year.

Funding is available for Internet access, telecommunications and in some cases internal connections and internal connection maintenance. Discounts for support depend on the level of poverty and the urban/rural status of the population served. Marcum-Illinois Union Elementary School District meets the eligibility requirements.

In order to participate in the Erate program, we must periodically solicit competitive proposals for these services following a very prescriptive process defined by the Schools and Libraries Program. We have completed the bidding requirement of this program and are bringing you the resulting contracts for approval:
