

# MARCUM-ILLINOIS

## Union Elementary School District

---

The Marcum-Illinois Union Elementary School District would like to recognize Allen Earhart for his countless efforts to support the Marcum community.

Allen is a long-time resident of East Nicolaus and a local business owner of Thornton's Gas. As owner Allen has donated many tanks of propane and patio heaters to local community fundraising events such as the Labor Day Parade, Beans and Bingo, and Sober Grad Night. Allen also allows donated items for these events to be delivered to his business until the events occur. He also volunteers his time each year to help set up and grill for Marcum's Hamburger Booth.

In addition to his time and efforts with the local schools he volunteers with South Sutter Little League, Allen has coached and managed baseball for many years and has served in various officer positions on the Little League Board. Allen has assisted in field maintenance for many years at the Little League Park donating time, equipment and labor.

At East Nicolaus High School, Allen founded and has served as Treasurer of the Spartan Foundation which raises funds for high school sports, providing money for tournaments, uniforms, and equipment for boys' and girls' sports.

Allen has followed in his grandfather's and father's footsteps in honorably serving our community as a volunteer firefighter for the East Nicolaus Fire Department. Allen has set a profound example of what it truly means to give back.

The Marcum Board, Staff, Students, and Community would like to thank Allen Earhart for all that he has done for our students, our school and the community.
