

Wildcat Contributor Award: Cindy Gander

The Marcum-Illinois Union Elementary School District would like to recognize Cindy Gander as a valuable member of our Marcum School Community. Cindy is an extremely dedicated former Marcum parent and community member. We have been very lucky to have her support over the years.

As a parent, Cindy always helped out in whatever way she could to support her boys' school. She volunteered for countless events and classroom activities throughout their time at Marcum. She was also a vital component of Marucm's Parents' Club, serving as an officer for many years. As a Parents' Club Officer, Cindy worked hard to organize events and plan activities that would help support our school and our students. She was often the chairperson for many of our fundraisers, even helping support those events after her children had left Marcum.

In addition, Cindy has helped with community events that also benefit Marcum students and our school. Cindy currently volunteers for the South Sutter Recreation Association to help local youth. She has been an instrumental component of the Nicolaus Labor Day Parade and was very involved in ENHS Boosters Club.

Cindy has earned the Wildcat Contributor Award because she is always willing to help however she can to support this community. The Marcum Board, Staff, Students, and Community would like to thank Cindy Gander for all that she has done for our students, our school, and the community.
