

The Marcum-Illinois Union Elementary School District would like to recognize Debbie Scott as a valuable member of our Marcum School Community and present her with the Wildcat Contributor Award for June 2025.

Mrs. Scott has been an incredible addition to our Marcum family for the last 10 years. As she prepares to retire, we reflect with deep gratitude on the impact she has had on our school. Her dedication and flexibility have made her an invaluable member of our team. As the 2nd grade classroom aide, Mrs. Scott supported students and Mrs. Hill in all aspects of the classroom. She was vital for small groups and intervention supports. Beyond her classroom role, she could always be found helping wherever she was needed—on yard duty, in before and after school care, and throughout the campus.

Mrs. Scott's love for our Wildcats was evident in all that she did. She brought joy and creativity to students through the engaging activities she designed—especially her legendary art projects, which were always thoughtful, hands-on, and full of heart. Her ability to connect with students of all ages made her a trusted adult and a cherished presence on campus.

In addition to being a dedicated aide, Mrs. Scott has been a wonderful coworker and teammate. She was always ready to jump in wherever needed and was a beloved member of the Marcum team. As she enters retirement, she leaves behind a legacy of kindness, creativity, and care that affected so many.

The Marcum Board would like to thank Debbie Scott for all that she has done for our students and our school. We are so appreciative of Mrs. Scott's contributions, her years of service, and her dedication to Marcum. We wish her the very best in her well-deserved retirement.
