

# MARCUM-ILLINOIS

## Union Elementary School District

---

The Marcum-Illinois Union Elementary School District would like to recognize Margarita Barajas for her countless efforts to support Marcum.

Margarita is an exemplary example of an outstanding product of Marcum School. She was educated and nurtured by some of the finest teachers here at Marcum and it shows every day that she is on our campus.

“No” is simply not in her vocabulary. Along with her own regular job duties, Margarita takes on any job asked of her, always positively adding it to her list. She can do it all...and probably has: driving the Special Ed. Van, running the kitchen, supporting students in PE and Technology classes, supervising during yard duty, teaching preschoolers, overseeing the Den, and literally anything else we could think of asking her to do. She always does everything that is asked of her, and she often seeks out ways to help on her own. She does all of this while she is successfully attending college working to add another degree to her resume.

She is selfless at work and at home. In addition to being incredibly supportive and helpful at Marcum, Margarita also provides for her family in any way she can. We’re not sure how she accomplishes everything she does.

The Marcum Board, Staff, Students, and Community would like to thank Margarita Barajas for all that she has done for our students, our school and the community. She is such an asset to Marcum. We are so proud of this returning student.
