

Wildcat Contributor Award: Mindee Menigoz

The Marcum-Illinois Union Elementary School District would like to recognize Mindee Menigoz as a valuable member of our Marcum School Community. Mindee is an extremely dedicated parent and community member. We are very lucky to have had her support over the years here at Marcum.

Mindee has been part of Marcum Parents Club and helping with community events for over 10 years. She is involved with the Labor Day Parade, Rio Oso Community Hall and Grad Night at the High School along with their Boosters Club. Mindee is a perfect candidate for the Wildcat Contributor Award because she is always will to help or volunteer however she can. She was instrumental in getting the 501c3 established for Marcum and continues to reach out to make sure we are up to date with our paperwork. When it has to do with benefiting the students and children she is always involved, it doesn't matter if it is a field trip, bringing food, chaperoning, organizing and assisting with events or activities. We can always count on her.

The Marcum Board, Staff, Students, and Community would like to thank Mindee Menigoz for all that she has done for our students and our school.
