

The Marcum-Illinois Union Elementary School District would like to recognize Shannon Scheiber as a valuable member of our Marcum School Community and present her with the Wildcat Contributor Award.

Shannon's unwavering dedication, leadership, and commitment to Marcum make her an outstanding candidate for this honor.

Shannon has been the driving force behind the success of our cooking activities in both The Den and Camp Marcum programs. Her creativity and organization ensure that every session is not only educational and fun, but also safe and engaging for all participants. Her ability to lead with warmth and clarity has left a lasting impact on our Wildcats and staff alike.

Beyond the kitchen, Shannon plays a critical role in running our Morning Care program, assisting in the office and in classrooms. Her dependable presence and upbeat attitude help start each day on a positive note, creating a welcoming environment for both children and families.

In addition, Shannon has gone above and beyond during Camp Marcum. She has spent countless hours in the deep end of the SSRA pool—often treading water—just to ensure the safety and supervision of our campers. Shannon has a keen desire to allow all of our Wildcats to learn applicable skills, have fun, and become better Wildcats and this is seen in every activity that she leads in Camp Marcum and beyond.

Shannon is not just a contributor—she is a cornerstone of our team. Her efforts consistently go above and beyond expectations, and her contributions truly embody the spirit of the Wildcat Contributor Award.

The Marcum Board would like to thank Shannon Scheiber for all that she has done for our students and our school. She is an such an asset to our school. We are so appreciative of Ms. Shannon's contributions and her dedication to Marcum.
